We look forward to returning home to Telefomin, hopefully before the end of January, depending on how long we will need to stay in Mt Hagen for Ryan's training and to buy groceries to home take with us.

## The Cole Christmas Communiqué

Dear Friends & Supporters,

### Merry Christmas & a Happy New Year!

Wishing you and your family a festive season filled with the love and warmth of your nearest and dearest. May 2025 bring you joy, peace and comfort through tough times...

We are celebrating Christmas this year with Shiv's parents in the UK. We will be returning to PNG before the end of January. Once we are back home in Telefomin, Ryan will be back to being the only pilot based there, so he will be really busy flying, and Shiv will be sharing some photos and stories from last year, which never made it onto our blog, as we were so busy. Visit [www.RyanAndShiv.net](http://www.RyanAndShiv.net) in February! She will also be giving out more Reusable Sanitary Kits to the new students in Grade 9 at our local High School, thanks to donors in Canada and Australia.

It's going to be a busy year, so we will need your support and prayers!

**We couldn't be serving in PNG without your friendship and support, thank you so much!**

**Wishing you a joyful festive season.**

## Prayer...

- For the **2 new pilot families** we are expecting to join us in Tele in the 2nd half of 2025.
- That **more** pilots, teachers, accountants, and others would **join MAF** and help with the work.
- For straightforward international travel when we **return to PNG** in the 3rd week of January.
- For **good health & wellbeing** for us both throughout 2025.
