

Merry Christmas

Tales of a Missionary by David & Caroline Moore

Welcome to our Nov/Dec Newsletter 2024

Thank you for signing up to receive these, for your prayers and to those of you who are giving financial support. We are so grateful to have you on our team as we serve in PNG.

As we move into the season of Celebrating the birth of our saviour Jesus Christ, we wanted to drop you a quick message of thanks for your continued support and prayers.

Merry Christmas

We truly hope and pray that you will join us these coming weeks in the celebrations of our saviours birth —————

Isaiah 9 v 6-7

For unto us a Child is born, Unto us a Son is given; And the government will be upon His shoulder. And His name will be called Wonderful, Counselor, Mighty God, Everlasting Father, Prince of Peace.

Our Return to the UK

Our thanks to all those who messaged to say how excited you will be to see us back in the UK and especially to those who offered support with Electric bikes !

Please pray for us to finish well in PNG as Dave currently focuses on the completion of the building project now the project manager (Nellis Terblanche) has left to return to South Africa. After this is finished Dave will step back into a more mentoring role for Simeon and Felix the Facilities teams supervisors to help support them and continue to help upskill them before we leave.

Please also pray for Cobus Van der Merwe and family as Cobus settles into the roll of Facilities Manager allowing Dave the time to step back and work towards finishing up the many smaller projects he has been working on.

Praise & Prayer

Praise God For:

- Cobus as he steps up to run the Facilities team allowing Dave to step back and wrap things up.
- For the building project finally nearing completion.
- Our daughter, Cathy, who has now started her new job.
- And for a fantastic appraisal for Aaron, (our son), in the recent staff review pages.
- A family who have expressed an interest in taking Phoenix on when we leave.

Please pray for:

- Us to be able to finish well in the remaining months here
- For David to be able to finish the building project and provide good mentoring for the team as he steps away from the day to day leadership of the team.
- For the timing of the transition of Phoenix to the new family who would like to take her in early March but pray for Caroline as this will be quite a wrench.
- For the ongoing fuel crisis in country which is causing a large number of issues for us as an organisation and beginning to restrict our ability to serve some of the remotest regions in the country.

Thank you

- Your giving and prayers are so appreciated, and thank you for taking the time to read this newsletter.

We pray that you will be blessed as you join us on our PNG adventure, as part of our team. We couldn't do this without you!

We are so grateful to all our existing, and new sponsors
as we finally approach being fully funded.

However there is always more your money can do to support us and the work out here and if you are you interested in supporting us then feel free to make a one off donation or maybe set up a monthly support gift (which average £50 p/m but range from £10 p/m - £100 p/m) to help us continue serving in PNG.
