YOUR PRAYER ITINERARY >>>>>>

MAF's life-saving work wouldn't exist without the prayers of faithful believers across the world

Will you join them by remembering our pilots, partners and planes this week?

Use these short reflections to pray for some of the people and places you've seen on your Discovery journey.

Thank you for praying for MAF.

① SUNDAY

SOUTH SUDAN

The people of South Sudan wake daily to raging temperatures, political insecurity and the threat of possible bloodshed. Millions of dwellings lie empty and refugee camps are bursting with families far from home.

PLEASE PRAY

- that the historic peace deal agreed in summer 2018 will continue to hold
- that food will be sped to those who are hungry
- for protection over MAF and other agencies delivering essential help.

② MONDAY

TANZANIA

Many people living in remote, rural villages lack access to life's basic necessities.

PLEASE PRAY

- for the process of opening remote airstrips, offering a lifeline for more vulnerable communities
- for our regular safari flights, which transport medical and evangelistic teams to areas in desperate need
- that Tanzania's Maasai people will open their hearts to receive God's love.

③ TUESDAY

MADAGASCAR

Behind the apparent vistas of paradise, Madagascar hides some of the highest levels of malnutrition in the world. People without adequate food or medical care barely survive.

PLEASE PRAY

- for our MAMAFY project, which is 'sowing seeds' of God's love in areas otherwise unreachable by the Gospel
- for MAF's partnership with Good News Hospital and other organisations working to improve the extremely basic healthcare provision in rural areas
- that MAF's team remains strong both physically and spiritually.

④ WEDNESDAY

PAPUA NEW GUINEA

Tribal conflict claims precious lives and leaves many families living in fear and darkness.

PLEASE PRAY

- that the light of Christ will shine in the darkness
- for safety as our pilots negotiate some of the most challenging airstrips on earth
- that experienced pilots and ground crew will respond to God's call to join our team to meet growing needs.

⑤ THURSDAY

ASIA-PACIFIC

In this vast and diverse region of the world, many countries live with the constant fear of natural disaster and easily preventable diseases are deadly.

PLEASE PRAY

- for the growing Yolŋu Church in Arnhem Land and for MAF's part in supporting and participating in local Christian ministry
- for the next critically-ill patient we collect in Timor-Leste who needs urgent medical help
- for protection for those who are at the mercy of frequent cyclones in Bangladesh.

⑥ FRIDAY

OUR DEDICATED TEAM

MAF employs more than 1,400 people across the world – 75% from local communities. Many have amazing stories of how they came to join our mission.

PLEASE PRAY

- for families preparing to move overseas and begin a new life in a developing country
- that local staff will be a witness to communities that don't know Jesus
- for pilots, aircraft maintenance engineers, managers and operational staff to fill the many MAF vacancies worldwide.

⑦ SATURDAY

OUR UNIQUE FLEET

MAF's little planes fly thousands of miles every year in some extraordinary conditions. Many hours of dangerous overland travel are saved, enabling people to receive the help they need to survive.

PLEASE PRAY

- for all our aircraft which take off and land on water, mountains and desert every six minutes – for safety and protection on every flight
- that aircraft undergoing essential maintenance will be back in the air as quickly as possible
- for the newest member of our fleet in South Sudan – a Cessna Grand Caravan, donated by generous supporters across the UK.
