

Prayer update from Patience Oduro Serving with Mission Aviation Fellowship in Papua New Guinea

Dear Friends and Supporters, Warm Greetings to you all, I trust this letter finds you well.

I am incredibly grateful for your sign up to pray, support and encourage me. Your partnership in this journey means more than words can express, and I thank God for each of you.

Update on Ministry

Since completing Bible College at the end of last year there have been opportunities to share my journey serving in Papua New Guinea (PNG) with Mission Aviation Fellowship (MAF) with

some local churches and on Christian Channels in UK where listeners have been touched by the incredible humanitarian and gospel mission, we carry out in reaching the isolated communities across the world. These moments remind me of the privilege it is to be part of His kingdom work, but we can't do that without ongoing prayers, encouragement and financial assistance.

Update on Giving

I am urgently seeking churches and at least 25 individuals who can commit to giving regularly to enable my return to the programme. Changes and delays could impact our work, so please pray for a positive and generous response as I reach out. To support financially, please visit my page www.maf-uk.org/oduro and sign up for regular gifts (monthly, quarterly, or annually).

Prayer Requests

I would value your prayers in the following areas:

- **Work Needs:** Please pray for
 - The PNG Finance team following changes and recruitment of local Accountants.
 - Pilots and other vacant roles in the PNG Programme to be filled.
 - Fuel supply and its increased cost which leads to logistic challenges and impacts our work.
 - Protection for the team.
 - Isolated communities hearts would be open to God's love and that lives would be transformed through our work.
- **Personal Growth:** Pray for wisdom, strength, and grace as I will be returning to Papua New Guinea to a new Finance team and would need God's directions in how we serve with diligence and an excellent spirit.

Thank you and God bless you for standing with me in prayer and encouragement. Your faithful commitment will enable me to serve in ways that would not be possible otherwise.

I look forward to staying in touch and sharing how God continues to work in this journey.

With gratitude and prayers,

Patience
